Subject: Request to Ensure Participation of Final Year Students in Madhya Pradesh –Artificial Intelligence Day Celebration on 18-19 December 2020.

-000-

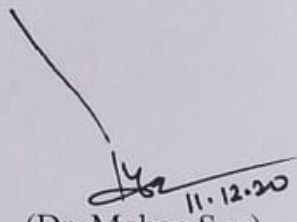

Directorate of Technical Education, Madhya Pradesh in association with CII-Yi and NASSCOM is celebrating Artificial Intelligence Day powered by Microsoft. Kindly send the details of at least 200 students from your college to participate in this program on MP@AI Day Celebration. Send the students data in attached format latest by 14th December 2020 on mpforai2020@gmail.com. The selection of students is at the discretion of the college. Please ensure students to send the data of those students who are keenly interested to participate on 18th December (for Engineering) and 19th December (for Polytechnics).

The industry leaders from Microsoft and other Top MNCs will train the students online on 18th -19th December 2020. The students lately may undergo a test for securing a certificate.

This program is absolutely free for all the students and will lead to enhance the employability of these students in areas related to artificial intelligence. Therefore all of you are requested to ensure the participation of the students in this program. I hope to get full support from all the colleges in making huge publicity of this program which shall infuse confidence among the students to start learning new emerging technologies.

Kindly ensure that the data is shared in the attached format latest by 3.00PM on 14 December 2020. A team of volunteers will guide the students on further steps and we wish to make this event a huge success with your kind support.

With Best Wishes.

(Dr. Mohan Sen)
Joint Director
Technical Education, MP
